The Hanen Program is based on well-researched methods and principles of family-focused intervention (Hanen Program, 2008). For more information visit [www.hanen.org](http://www.hanen.org)

**Open to**

Children ages 18 months–3.5 years. Funding may be available for families who are GGRC clients (birth to three only) depending on eligibility for service. Please contact your service coordinator since the IFSP team will need to determine eligibility for the program based on the child’s needs and the current services he/she is receiving. Please contact us to discuss private pay options/insurance coverage.

**Program includes**

Eight group training sessions and four additional individual consultations (lasting 1 1/2 hours). (24 hours of direct professional time total)

**When**

Begins in November 2013. Start date will be announced soon!
