

“Great tools. I really liked the home techniques, videos and individual visits.” ~Parent of 2-year-old.

Offered by Bridges to Communication

in partnership with the Golden Gate Regional Center and Support for Families

“More Than Words®”

The Hanen Program® for Parents of Children with Autism Spectrum Disorder

Learn strategies to help your child enhance his or her social interaction, use of communication and understanding.

The classes begin Thursday, August 15th, 2013!

Enrollment is limited to 8 families

Topics covered in the program include

How your child learns best and what motivates her to communicate.

How to make interactions with your child last longer and be more meaningful.

How to talk so that your child can understand you

How to use pictures and print to help your child’s understanding.

How to develop your child’s play skills.

For more information visit Bridgestocommunicationsf.com and contact Jill Flores at bridgestocommunication@gmail.com or (415) 690-9249

Jill Flores is a speech language pathologist with three Hanen certifications. She leads a variety of Hanen groups and is the owner of Bridges to Communication, a play-based private practice in San Francisco.

The Hanen Program is based on well-researched methods and principles of family-focused intervention (Hanen Program, 2008). For more information visit www.hanen.org

Open to

Children ages 2 –5 years. Funding may be available for families who are GGRC clients (birth to three only) depending on eligibility for service. Please contact your service coordinator since the IFSP team will need to determine eligibility for the program based on the child’s needs and the current services he/she is receiving. Please contact us to discuss private pay options/insurance coverage.

Program includes

Eight group training sessions and four additional individual consultations lasting 1.5 hours each. (24 hours of direct professional time total)

When

Thursdays, 6:30–8:30pm (group sessions)

Start Date: August 15th!

Where

Support for Families
1663 Mission St.
San Francisco, CA 94103

Care giving provided free of charge by Support for Families (based on availability).
